

RULES ABOUT PETS

Small and medium pets - whose weight is equal or less than 15kg - are welcome. The presence of the pet must be communicated at the time of booking. All pets must be in order for what concerns the health aspects, and in particular they must have vaccinations. Upon a request from hotel staff, pet's owner must show the health card. Animals are not permitted in the main bar area, the swimming pools, the tennis court and the common green areas within the residence. The residence's private beach is not accessible to dogs; a short distance away you will find the Dog Beach: a beach equipped to welcome pets. Access is permitted to La Corte dei Cavalleggeri Restaurant and Il Boschetto snack bar. In other common areas it is allowed only the transit of pets as long as always accompanied by the owners and with the requirement of using the leash. Animal owners are responsible for any damage caused, claims for damages, costs and expenses (including legal fees) for personal injury and/or damage and/or acts of filth that are derived from the animals' behaviour. They also undertake to remove any excrement and/or dejection left from the animal in all the areas of the hotel. The animal's behaviour must be managed by the owner so as not to disturb other guests. The stay of pets is allowed only upon the payment of an extra supplement.
